Home Visiting

Kansas Home Visiting is free & flexible! Home Visiting programs are as unique as the families they serve. All Kansas families with pregnant mothers and/or with children ages birth to five years, can participate in our programs.

Website: kshomevisiting.org/

1-800-CHILDREN

1-800-CHILDREN staff are in your corner providing anonymous, judgment-free support. Families can easily connect with the information, local resources, and support they need 24/7, even if what they need is just a listening ear. No question is off limits! 1-800-CHILDREN is available in English, Spanish and 200 additional languages.

In addition to calling, you can reach 1-800-CHILDREN by sending a text or email to: 1800Children@kcsl.org.

1800ChildrenKS.org is a searchable database of statewide resources. You can download the mobile phone app 1800ChildrenKS for free whenever you find your apps to search a mobile friendly version of the resource database.

Kansas Quality Network

Provided by the Kansas Department for Children and Families with information about services for children and families. This includes child care assistance, food assistance, Temporary Assistance for Needy Families, and early childhood education programs. KQN also supports parents with information about how to choose child care that goes beyond health and safety.
