THE BOURBON COUNTY FAIR ASSOCIATION WOULD LIKE TO EXTEND A THANK YOU TO

The volunteers who graciously donated their time to make the fair a success. The individuals and businesses who furnished special awards in the Myers Building. The exhibitors who entered the many exhibits to make the fair a success. Last and certainly not least, we are grateful for the many visitors coming through the Myers Building during the fair.

Terri Williams, Myers Building Superintendent

BOURBON COUNTY FAIR GENERAL INFORMATION

1. Exhibitors and others bringing property of any kind upon the fairgrounds do so at their own risk. No liability shall rise from any supervision over exhibits exercised by the association or its helpers, but precaution will be used to protect such property.
2. **Campers:** A \$100.00 reservation and electric hookup fee is due by July 1, 2024. Please send your camping money to c/o Mark Brillhart, 412 130th St, Fort Scott, KS 66701 or by Venmo @BourbonCounty-Fairboard. Contact Mark if you have any questions (620-224-9717). Each camper will have assigned parking spots. Campers can be parked at the fairgrounds before the fair but will not have electricity before July 15, the first day of the fair. The camping fee is thru Friday night, July 19. A free RV Dump Station is provided on the West side of the fairgrounds. No campers are to be parked close to buildings and/or barns.
3. Midnight curfew. All exhibitors staying overnight must be at sleeping quarters at midnight. No one else will be allowed on fairgrounds after that time. Night watchman will be on duty each night and has the authority to enforce curfew.

AGRONOMY

Superintendent: Ashley Endicott

1. Products exhibited in this division must have been grown by the 4-H member in the current year, with the exception of soybean seed and edible field bean seed.
2. Exhibits should be as mature as possible.
3. Every entry must be identified by hybrid or variety name. If variety is not stated where requested or samples not tied where requested, ribbon placing will drop one placing.

4. All classes calling for a gallon sample may have a 2 ½ - 3 inch in diameter cylinder placed in a glass gallon container to reduce the amount of grain to about three quarts.

WHEAT VARIETY PLOT DISPLAYS

The free-standing displays must not exceed the overall dimensions of 36" wide x 36" high x 18" deep (measured on the outside). Care should be taken to select durable materials that will withstand fair conditions. Displays must not require the use of electricity. If booth exceeds overall dimensions, ribbon placing will be dropped one placing.

1. These displays will have been planned and prepared by 4-H members enrolled in the wheat variety plot project.
2. Members must include the varieties provided in the display, but may include more varieties, if desired.

CLASSES:

- **Wheat Variety Plot Display**

WEED CONTROL EXHIBIT

1. Collect, identify, press, mount, & label a minimum of 15 weeds. Try to include their roots, stems, leaves and flowers. Three of the weeds must be noxious weeds preferably found in your home county. A standard 9"x12" scrapbook may be obtained in which to permanently mount your weed specimens. Identify the scrapbook with your name and district/county on the inside front cover.
2. Prepare a list of the weeds mounted, showing common name, scientific name, and where it was found. Place the list in a specially identified section of the scrapbook.
3. Collect and identify weed seeds found in crop seeds. Mount them for display purposes. Place them in a specially identified section of the scrapbook.
4. Write a story on "How We Control Weeds on Our Farm" if you live on a farm. Other members write "How We Control Weeds at Home". The story should be about 300 words in length. It must show definite methods used to control weeds. Place the story in a specially identified section of the scrapbook.

CLASSES

- **Weed Control** - Exhibit consists of the four items above.

AGRONOMY CLASSES

 4. Long sit - 1 minute
 5. Long down - 3 minutes
- **Novice** - All exercises are OFF LEAD except for the initial heel and figure 8. This class is eligible for Kansas State Fair.

1. Heel on leash and figure 8 - on lead
2. Stand for examination - off lead
3. Heel - off lead
4. Recall and finish - off lead
5. Long sit - 1 minute; off lead
6. Long down - 3 minutes; off lead
- **Graduate Novice** - Exhibitors with dogs who have graduated from Novice. This class is eligible for Kansas State Fair.
1. Heel on leash
2. Stand for examination - off lead
3. Heel free and figure 8
4. Drop on recall
5. Long sit - 3 minutes; handler out of sight
6. Long down - 5 minutes; handler out of sight

AGILITY

1. Dogs must be at least 12 months old before competing.

CLASSES

- **Senior Agility** - 4-H'er 14 & older will be done on lead and are not eligible for the Kansas State Fair.
- **Intermediate Agility** - 4-H'er 10-13 years old will be done on lead and are not eligible for the Kansas State Fair.
- **Beginning Agility** - 4-H'er 7-9 years old will be done on lead and are not eligible for the Kansas State Fair.
- **Agility** - OFF LEAD eligible for the Kansas State Fair.

RALLY OBEDIENCE

1. Rally is open to members who are 10 years of age and older who have received a blue or purple ribbon in obedience.

CLASSES

- **Rally Level I** - on lead, not eligible for Kansas State Fair.
- **Rally Level II** - off lead
- **Rally Level III** - off lead

ELECTRIC AND RENEWABLE ENERGY

Superintendent: Destiny Foulk

1. Only those who have met the requirements of the electric, small engine or wind energy project are eligible to exhibit in this division.
2. Items that have been used should be cleaned before exhibit.
3. The exhibit must be operable. If battery power is required, batteries must be furnished.
4. Any project with a complexity of size or electronics must have:
 - a) instructions for assembly and use,
 - b) equipment available at the time of judging for actual testing of the exhibit.
5. A sheet of operating instructions must be furnished for any exhibit not self-explanatory.
6. Projects must be operable using only 110 or 120V AC or battery power. If battery power is required, batteries must be furnished.
7. No hand dipped solder may be used on exhibits.
8. Each exhibit must have a scorecard completed and attached securely. Scorecard is available from the Extension Office.

CLASSES

- **AC Electric** - Electric projects with a 110 or 120 V alternating current (AC) power source. Some project examples are household wiring demonstrations, small appliances extension cords, trouble lights, indoor or outdoor wiring boards, or shop lights. Projects may be a restoration or original construction. The project must be operational

and meet minimum safety standards. AC projects must be 110/120 V, no 240 V exhibits are allowed, and must be constructed such that the judges have wiring access to examine the quality and safety of workmanship.

- **DC Electric** - Electric projects with a battery or direct current power source. This class includes electric kits or original projects. This class also includes demonstration DC powered project. Examples include: wiring two- or three-way switches, difference between series/parallel lighting circuits or wiring doorbells switches. All DC electric projects must include batteries supplied by 4-H'er. Projects must be constructed such that the judges have access to examine the quality of wiring workmanship.
- **Electronic** - Electronic projects with a battery or direct current power source. This class includes electronic kits or original projects. Examples include radios, telephones, toy robots, light meters, security systems, etc. May be constructed using printed circuit board, wire wrap, or breadboard techniques. Include instruction/assembly manual if from a kit. Include plans if an original project. Projects must be constructed such that the judges have access to examine the quality of wiring workmanship
- **Educational Displays and Exhibits** - The purpose of the educational display and exhibit is to educate the viewer about a specific area of the 4-H electrical or electronics project. The display or exhibit should illustrate one basic idea. This class includes any educational displays, exhibits or science fair type projects which DO NOT have a power source, i.e. exhibits, posters or displays of wire types, conduit types, electrical safety, tool or motor parts identification or electrical terminology. Educational displays and exhibits must be legible from a distance of four feet, using a maximum tri-fold size of 3' x 4'.

Alternative Energy (A form of energy derived from a natural source, such as the sun, geothermal, wind, tides or waves) All exhibits in this division are limited in size to standard, tri-fold, display boards (36" X 48") and items may not extend beyond 12" from the back board. All displays must be self-standing.

- **Educational Display** - Create an exhibit that addresses a focused topic related to power generated from a renewable energy source. The purpose of the exhibit is to inform and create awareness.
- **Experiment** - Display an experiment addressing a problem or question related to power generated from a renewable energy source. Include hypothesis, background research, variables, a control, data, findings, conclusions and recommendations for future study.

ENTOMOLOGY

Superintendent: Ashley Endicott

Insect Collection Rules:

1. Each 4-H member may exhibit only one entry per class.
2. All entries should be submitted in an 18" x 24" x 3.5" wooden display box with a clear plastic top (such as Plexiglass). Boxes can be handmade or purchased as long as they are of the correct size.
3. 4-Hers may choose to use one of two taxonomies:
Option A: As printed in "Insects in Kansas" book, or
Option B: As printed on the "Insects in Kansas Book: 2016 Revised Taxonomy", which follows www.bugguide.net
4. Each exhibitor is required to identify each box with two identification labels bearing exhibitor's name, district/county, the collection class 4-H'er is enrolled in and statement of taxonomy used. One label goes in the upper left corner of the box (inside) and the other on the lower right corner of the box (outside). Arrange specimens in the box so the box can be displayed lengthwise.
5. The number of orders, specimens (and families where required) must be included on both of the exhibitor's box identification labels. Only one adult insect per species can be used in the collection boxes and notebook classes, unless labeled as male or female and correctly identified.
6. Arrange specimens in groups or rows parallel to the short sides of the box. Specimens are to be arranged by order in the box, then family where required.
7. Two labels should be centered on the pin beneath each specimen. First (closest to the specimen) is the common name label and the second label should include date/locality. Full district/county name and state abbreviation should be on the second label. Collector's name (or host) on the date/locality label is optional.

8. The specimens should be collected by the exhibitor and should focus on Kansas insects. Insects may be collected from one county into bordering states and labeled accordingly. Please refer to "Entomology Collection Exhibit Resource" for full details on out-of-state insects in collections.
9. Only specimens of the class Insects should be included.
10. Purchased insects are not to be exhibited in collections, but they may be used in educational displays.
11. Specimens of soft bodied insects such as aphids, lice, termites, etc. should be exhibited in alcohol filled vials; however, the use of alcohol filled vials should be limited to only those specimens that lose their shape when pinned, since the vials pose a significant hazard to the rest of the collection if they become loose in transit.
12. Any major violation of rules will result in the exhibit being dropped one ribbon placing. Examples would include, but are not limited to: incorrect display box size, missing paper work, feet on display boxes, no special project in notebooks, etc.

Notebook Rules:

1. Individual entries are to be placed for display in a three-ring notebook for competition.
2. 4-Hers who have been previously enrolled in or are currently enrolled in the other phases of the Entomology project need to start with the beginning phase of entomology notebooks, not the introductory phase.
3. Each exhibitor is required to identify the notebook by placing a title page in the front of the notebook bearing the exhibitors name, district/county and class 4-Her is enrolled in and statement of taxonomy used: Option A: "Insects in Kansas" book, or Option B: "Insects in Kansas Book: 2016 Revised Taxonomy," which follows www.bugguide.net. The number of orders, specimens and families (required in Intermediate and Advanced classes) must also be included on the title page.
4. Specimen pages should be grouped according to order and should include one page per species. If more than one insect is in the photo, an arrow to indicate identified insect should be used.
5. Date, common name, full district/county name and state abbreviation should be included for each species. Collector's name on the specimen page is optional.
6. Specimen pages should have two different views of the insect if possible. If pictures are taken on different dates/localities, include information for both.
7. A statement describing the habitat where found/host plant may be included and is encouraged and will be worth a bonus 10 points total, not per page. For intermediate and advanced notebooks, this is strongly encouraged.
8. A divider page is to be placed in front of each order of insects with the order name printed on the tab for the page as well on the front of the divider page.
9. For the Intermediate and Advanced classes, insects are also to be grouped by family behind each order divider.
10. If the exhibitor has been in the same class for more than one year, a separate sheet of paper needs to be added stating how many years the exhibitor has been in this class of the project and what the exhibitor did this year to improve their notebook. Place the paper just behind the title page in the front of the notebook.
11. A special project must be completed each year and included in the notebook. See project guideline materials for specifications.
12. Any major violation of rules will result in the exhibit being dropped one ribbon placing. Examples would include, but are not limited to: incorrect display box size, missing paper work, feet on display boxes, no special project in notebooks, etc.

Educational Display Rules:

1. Share with others what you learned in this project. Exhibit any activity or learning experience related to the field of entomology or the teaming with insect's curriculum that does not fit into Entomology Collection or Notebook classes above.
2. Follow copyright laws as explained in the General Rules.
3. The exhibit may be, but isn't limited to, original works, digital presentations (must provide printed hardcopy for exhibit purposes for duration of state fair), programs, websites, games, apps, display box, notebook, display or poster which you have made.
4. If the exhibit is a wooden display box, it must be 18" x 24" x 3.5" with a clear plastic top (such as plexiglass) and displayed horizontally. If the exhibit is a poster, it must not be larger than 22" x 28". If the exhibit is a display, maximum size is not to exceed a standard commercial 3' x 4' tri-fold display board.
5. Name and district/county must clearly be marked on educational exhibits.
6. Any major violation of rules will result in the exhibit being dropped one ribbon placing. Examples

would include, but are not limited to: incorrect display box size, missing paper work, feet on display boxes, no special project in notebooks, etc.

Monarch Butterfly Educational Display Rules:

1. Exhibits should teach the public about the Monarch Butterfly and/or ways to protect and conserve it. The information could show nectar sources for adult butterflies and food sources for caterpillars, Monarch tagging activities, collection of native milkweed and then packaging it to give to others to plant, a group working together to plant a Monarch friendly garden, etc.
2. 4-Hers may create a poster, notebook, standard size tri-fold, diorama, slide show or other visual display that shows information on Monarch Butterflies. If a slide show is created, it should be presented on a zip drive along with a printed copy of the presentation.

CLASSES

- **Introductory Educational Exhibit** - for individuals who are exhibiting in the Introductory Collection or Introductory Notebook Classes. If only exhibiting in this category, then ages 7-8. There is no State Fair Class for these exhibits.
- **Beginning I Entomology Collection** - display in one standard box a minimum of 50 and maximum of 125 species representing at least 7 orders. Follow the guidelines listed for collections. Members can exhibit in this class a maximum of 3 years or until they receive a purple ribbon, whichever comes first and then they are moved up a division.
- **Beginning II Entomology Collection** - display in one standard box a minimum of 75 and a maximum of 150 species representing at least 9 orders. Follow the general guidelines listed for collections. Members can exhibit in this class a maximum of 3 years, or until they receive a purple ribbon, whichever comes first and then they are moved up a division.
- **Intermediate Entomology Collection** - display a minimum of 100 and a maximum of 300 species representing at least 10 orders. Two standard boxes can be used. Follow the general guidelines listed for collections. In addition, family identification is required for all insects in any two of the following six orders: (Only two will be counted for judging)
 - a.) "Insects in Kansas" Book - Orthoptera, Hemiptera, Homoptera, Coleoptera, Hymenoptera, and/or Diptera.
 - b.) "Insects in Kansas" Book: 2016 Revised Taxonomy", which follows www.bugguide.net - Odonata, Orthoptera, Hemiptera, Coleoptera, Hymenoptera, and/or DipteraOn a piece of paper list what you did to improve your collection during the current year. Members can exhibit in this class a maximum of 3 years.
- **Advanced Entomology Collection** - display a minimum of 150 and a maximum of 450 species representing at least 12 orders. Three standard boxes can be used. Follow the general guidelines listed for collections. Family identification is required for all insects belonging to the six basic orders as outlined under the intermediate phase. Only families in the above six orders will be counted for judging. Family identification of insects in the remaining orders is optional, but desirable as long as accuracy is maintained. On a piece of paper list what you did to improve your collection during the current year. Examples: what insects did you add or replace; what orders and/or families you added; what leadership you provided in this project; and/or what insects you have studied. Attach paper to the back of one of the display boxes. Members may continue to exhibit in this class for an unrestricted number of years as long as they remain eligible for 4-H membership.
- **Introductory Entomology Notebook** - display a minimum of 10 and a maximum of 30 insect species representing at least six different orders. Follow the general guidelines listed for notebooks. A 4-Her may exhibit in this class for a maximum of two years.
- **Beginning Entomology Notebook** - display a minimum of 20 and a maximum of 60 insect species representing at least 7 different orders. Follow the general guidelines listed for all notebooks, including the special project. Members can exhibit in this class for a maximum of 3 years.
- **Intermediate Entomology Notebook** - display a minimum of 60 and a maximum of 100 species representing at least 9 orders. Follow the general guidelines listed for notebooks, including the special project. In addition, family identification is required for all insects in any two of the following orders: (only two will be counted for judging)

- a.) "Insects in Kansas" Book - Orthoptera, Hemiptera, Homoptera, Coleoptera, Hymenoptera, and/or Diptera, or
- b.) "Insects in Kansas" Book: 2016 Revised Taxonomy" which follows www.bugguide.net - Odonata, Orthoptera, Hemiptera, Coleoptera, Hymenoptera, and/or Diptera.

Members can exhibit in this class a maximum of 3 years. A 4-H'er may move up if they receive a purple ribbon.

- **Advanced Entomology Notebook** - display a minimum of 100 and a maximum of 200 species representing at least 12 orders. Follow the general rules listed for Notebooks, including the Special project. Follow the general guidelines listed for Notebooks. Family identification is required for all insects belonging to the six basic orders as outlined under the Intermediate phase. Only families in the above six orders will be counted for judging. Family identification of insects in the remaining orders is optional, but desirable as long as accuracy is maintained. Members may continue to exhibit in this class for an unrestricted number of years as long as they remain eligible for 4-H membership.
- **Beginning Educational Exhibit** – class for individuals that are exhibiting in the Beginning I and II Collection or Beginning Notebook Classes. If only exhibiting in this category, then ages 9-12.
- **Intermediate Educational Exhibit** - class for individuals that are exhibiting in the Intermediate Collection or Intermediate Notebook Classes. If only exhibiting in this category, then ages 11-14.
- **Advanced Educational Exhibit** - Class for individuals that are exhibiting in the Advanced Collection or Advanced Notebook classes. If only exhibiting in this category, then ages 13 or older.
- **Beginning Monarch Butterfly Educational Display** - for 4-H members enrolled in Beginning I or II Entomology.
- **Intermediate Monarch Butterfly Educational Display** - for 4-H members enrolled in Intermediate Entomology.
- **Advanced Monarch Butterfly Educational Display** - for 4-H members enrolled in Advanced Entomology.

FIBER ARTS

Superintendent: Marge Madison

1. If the exhibit is a sewn garment that includes one or more fiber art techniques (i.e. knitting, crochet, needle arts, or patchwork and quilting), the 4-H participant can enter it in the sewing or fiber arts division but must be enrolled in the 4-H project.
2. Attach an index card, no larger than 4" x 6" with the entry form. On the index card, provide (a) information on what parts of the exhibit they made, processes used, or other information which the exhibitor thinks would be helpful for the judge; (b) indicate if item was made from a kit; (c) indicate fiber content, specifically if they are made of at least 90% wool; (d) for quilted items, indicate who did the quilting and binding.
3. Identification Label (a) Type or print on 3" x 2 1/2" piece of cloth: district/county name, and exhibitor's name; (b) Sew or safety-pin this ID label on the corner of the article; (c) For garments, attach ID label to the front left shoulder seam, or left side of waistband, as if you were wearing the garment.
4. When articles which are normally worn as a pair, both articles must be exhibited together as one entry and must be fastened together securely with yarn.
5. All articles must be in clear plastic bags when entered. If article is hung, it must have an appropriate hanger, rod, wire or other mechanism attached in order to be properly displayed.
6. Fiber Arts Educational Notebook: share with others what you learned in this project about a particular fiber art. Exhibits should be in the form of a notebook or binder. The notebook should include a narrative section describing the fiber art. It should include a clear description of the project, technique, budget, supplies, goals, accomplishments, successes, failures, and future plans. It may include samples of techniques, how-to's, photographs of completed projects, or other ways of educating others about fiber arts. NOTE: A collection of brochures, web pages, patterns, record book forms, etc. does not constitute an educational notebook.
7. Follow copyright laws as explained in the General Rules as you are preparing your exhibit. Name, local unit and fiber art covered must be clearly marked in the notebook.
8. 4-H member may enter one exhibit in each class.

CLASSES

- **Crochet** - an article including felted items.
- **Knitting** - an article made either by hand or by knitting machine including felted items.
- **Needle Arts** - an article created by hand using any of the following techniques: a) Embroidery and cross-stitch; b) Needlepoint; c) Candle wicking; d) Crewel; e) Lacework; f) Applique.

- **Patchwork and Quilted Article** – it is acceptable practices for the exhibitor to create the patchwork or quilted article and have someone else quilt it.
- **Rug Making** - acceptable techniques include braiding, latch hook, tying, floor cloth, etc. The finished product should be an item that would be used in the home.
- **Spinning** - a skein – minimum of 10 yards in length.
- **Weaving** - a woven article. Members should attach information about the type of loom or process used. Woven wood reed basket, should be exhibited in Visual Arts.
- **Ethnic Art** - an article: This is defined as a Fiber Art/Textile technique that is associated with a specific country or culture. It is a practical skill that was developed to provide basic family needs such as apparel, home furnishings or decorations. It is also defined as a method that has been maintained throughout history and passed on to others, often by observation and by example, such as batik, swedish huck towel weaving, mud cloth, bobbin weaving, tatting, felted items that are not knitted or crocheted, etc. Members should attach information on the history of the ethnic fiber art, where it was used, by whom, how it was used, and a short description of the technique, etc.
- **Macramé** - an article.
- **Fiber Arts Educational Notebook**

FOODS AND NUTRITION – PREPERATION

Superintendent: Susan Griffin and Destry Brown

1. Complete recipes with ingredients and instructions must be attached with the entry card, or the placing will be lowered one ribbon when judged.
2. Mixes may be used in the Junior class only. Bread machines may be used in all levels.
3. A decorated food entry must be a food item. If not, it will be disqualified. Judging is based on decoration only. Decorated special event cakes will no longer be accepted for exhibit at the Kansas State Fair.
4. For food safety purposes, any food with custard and dairy-based (ex. Cream cheese) fillings and frostings, raw eggs, flavored oils, “canned” bread or cakes in a jar, cut fresh fruit or any food requiring refrigeration (ex. Bacon) or unbaked exhibit with raw flour (ex. No bake cookies) will be disqualified and not judged.
5. For food safety purposes, any entries with frostings and fillings must calculate the amount of sugar in the frosting/filling recipe only. Calculation must be attached to entry, or the placing will be lowered one ribbon when judged. Frostings and fillings need to contain more than 65% sugar for safety. Examples on how to calculate this percentage are included in the publication located at: <https://bookstore.ksre.ksu.edu/pubs/MF3544.pdf>.
6. Alcohol is not allowed as an ingredient in food entries. Entries with alcohol in the recipe will be disqualified and not be judged.
7. All baked goods must be left whole and uncut. Small items, such as cookies and rolls, should be the same shape and from same recipe. Exhibit 3 cookies, 3 muffins, 3 bread sticks, 1 loaf bread, etc.
8. Under baked entries will be lowered one or more ribbon placing.
9. All un-frosted cakes should be exhibited in an upright position with crust showing. The exception is for cakes made with special designs such as Bundt cakes. They should have top crust side down.
10. Any baked product that can be removed from the pan should be placed on a plate, covered cardboard or disposable container of appropriate size for the exhibit. Exhibits should be in food grade plastic bags, disposable plastic containers or boxes of appropriate size for the exhibit.
11. Refer to K-State Research and Extension publication, 4-H888, Judge’s Guide for Food and Nutrition Exhibits, for information to help you make informed, safe food exhibit decisions.
12. Educational Exhibits: Must be related to the 4-H project. Content pertains to some phase, result, story information or promotion of the 4-H project. Exhibit Criteria: Posters must be flat and no larger than 22”x28”, displays standard tri-fold boards, no larger than 3’x4’, notebooks must be current 4-H year. No card table displays are allowed. Name, district, age and year in project should be in a prominent location on the exhibit.
13. Food Gift Package. No alcoholic beverages will be accepted. A food gift package must contain at least 3 different food items (prepared for human consumption), made by the 4-H member, in a suitable container no larger than 18"x18"x18". Prepared food items must have recipes attached with the entry. Additional homemade food items beyond the 3 minimum or purchased items may also be included in the gift basket. On the back of the entry card, answer these questions: 1.) what is the intended use; 2.) what food safety precautions were taken during

and after preparation. This entry will count as a non-perishable food product, not as an educational exhibit. Home canned foods must follow Food Preservation rules. Canning jars should not be used for baking per manufacturer's instructions, they could break during baking.

14. Each 4-H member may exhibit up to four entries in Non-Perishable Food Product, and one entry in each of the other classes in this division. Each entry must be entered in fair entry.

CLASSES

- **Non-Perishable Food Product**
- **Educational Exhibit**
- **Food Gift Package**
- **Decorated Food Item**

FOODS AND NUTRITION – PRESERVATION

Superintendent: Susan Griffin and Destry Brown

1. Exhibits must have been preserved since the previous fair or during the current 4-H year.
2. Recipes and processing methods from the sources below are recommended. Recipes must be from current, tested resources listed below and must be adjusted for altitude based on your processing location, or it will be disqualified. Processing methods that will be disqualified include: open kettle-canning, oven canning, sun canning and using electric multi-cookers. Untested recipes will be disqualified for food safety reasons. Tested recipe sources include:
 - K-State Research and Extension Food Preservation publications
 - Other University Extension Food Preservation publications
 - USDA Complete Guide to Home Canning, @2015
 - So Easy to Preserve, 6th edition, The University of Georgia Cooperative Extension Service
 - Ball® Blue Book Guide to Preserving, Edition 37
 - Ball® Complete Book of Home Preserving, @2015 and @2020
 - Canning mixes (i.e. Mrs. Wage's, Ball®)
 - Pectin manufacturers (i.e. Sure-Jell, Ball®)
 - KSRE Rapid Response Center Preservation Recipes
 - National Center for Home Food Preservation
 - Ball® and Kerr
3. Alcohol is not allowed as an ingredient in food preservation entries. Entries with alcohol will be disqualified and not be judged.
4. Each exhibit must have the complete recipe and instructions attached with the entry card, or it will be disqualified. Recipe must include exhibitor name, recipe source, date of publication, and altitude, where food was processed. If using Mrs. Wage's or Ball® mixes, indicate the date the mix was purchased.
5. Exhibits must be processed in clean, clear standard canning jars, with matching brand (ex: use Ball® lids on Ball® jars, or Kerr lids on Kerr jars, etc.) two-piece lids. Do not use colored jars, fancy padded lids, fabric over wraps or cozies as they interfere with the judging process. No fancy packs unless recipe states to do so (ex: Pickled asparagus). Jars must be sealed when entered. For food safety reasons, the size of jars used must not be larger than the jar size stated in the recipe (ex: Salsa is canned in pint jars only, no quarts). Note: There are 12-ounce, 24-ounce and 28-ounce canning jars available and may be used. Use pint jar process recommendations for 12-ounce jars. Use quart jar process recommendations for 24 ounce and 28-ounce jars.
6. Each jar exhibited must be labeled. The label must not cover brand name of jar. The label must give: product, altitude where processed, canning method (water bath, weighted gauge or dial gauge pressure method), process time, pressure (psi), date processed including month and year, name, and district/county. Templates to make adhesive labels can be found at: https://www.kansas4-h.org/events-activities/fairs/kansas-state-fair/docs/foods-and-nutrition/Foods_Label.pdf.
7. Hole punch the entry card and use a rubber band to attach the entry card and recipe around the top of the jar.
8. If dried food product is not in a canning jar, it will be lowered one ribbon rating. Suggested amount: 1/3 – 1/2 cup, or three or four pieces per exhibit. All meat jerky must be heated to an internal temperature of 160 degrees F before or after drying. This is not the drying temperature! Dried products must include the recipe, preparation

steps and heating instructions. Jerky not heated to an internal temperature of 160 degrees F will be disqualified and not be judged. Heating information can be found in MF3173, Dry meat Safely at Home <https://bookstore.ksre.ksu.edu/pubs/MF3173.pdf>.

- Each 4-H member may enter up to two exhibits in this division, but only one entry per class.

CLASSES

- **Sweet Spreads** - (Fruit and/or Vegetables) Syrups; one jar.
- **Fruits, Juices & Fruit Mixtures** - (Salsa, Pie Filling, etc.); one jar.
- **Low Acid Vegetables** - (Green Beans, Corn, etc. or Vegetable Mixtures.); one jar.
- **Pickles** - (Fruit or Vegetable), Fermented Foods, Relishes and Chutney; one jar.
- **Tomatoes/ Tomato Products, Tomato Juice & Tomato Salsas** - (Salsa in pints only, no quarts); one jar.
- **Canned Meats** - one jar.
- **Dried Foods** - one small jar.

FORESTRY

Superintendent: Ashley Endicott

- All leaf exhibits are to be mounted on 8½" x 11" heavy stock paper and placed in loose leaf binders. magnetic or adhesive filler sheets for photographic prints or sheet protectors are recommended. Twigs and fruit collections may be exhibited in whatever manner you choose. Maximum tri fold size is 3' x 4'. Resources for exhibiting are located on the Kansas 4-H Forestry project page.
- Name, club, district/county, age, and year in project should be on front cover or in a prominent location.
- Leaves should be identified with an appropriate label located near the leaf on the same page. These labels should include (1) The proper common name as listed in the 4H334, "List of Native Kansas Forest Trees"; (2) Location, city and/or district/county where collected; and (3) date (day, month, year) or (month, day, year) collected.
- Divide specimens into the following two sections: Native Kansas Trees and Non-Native Trees.
- New specimens are those specimens collected during the current 4-H year and cannot be a duplicate tree species of previously displayed specimens.
- Group specimens according to the years collected (ex. "old-previous years" and "new")
- Variations of varieties do not count as different species or specimens.
- When replacing previously displayed samples, due to degradation, improper mounting or incorrect identification, the specimen label must also be updated. Replacements do not count as new specimens. Replacements should be displayed in the "old previous" section of the display.
- If you retrieve information for your forestry exhibit, you must include a reference citation to the source.
- In all leaf collections, exhibit one complete leaf where possible. If leaf is too large, exhibit as much as possible. Sketch in reduced scale the entire leaf and illustrate where the exhibited portion is from. Note: A "leaflet" is incorrect when displayed as the complete leaf for the tree.
- All work must show originality. Leaf collections and displays should not closely resemble work done by others in the same club.

CLASSES

- **Forestry Collection** - (7-8-year old's) exhibit a minimum of 5 different leaves from native Kansas trees collected within the year. Exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.
- **Forestry Collection** - (Choose either A or B) only those exhibiting at the fair for the first year may enter this class.
 - Exhibit a minimum of 10 different leaves from native Kansas trees collected within the year. Exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.
 - Exhibit a minimum of 5 native Kansas trees showing leaf, twig and fruit from each species collected.
- **Forestry Collection** - (Choose either A or B) this class is open to those exhibiting either for the first or second time at the Fair.

- A. Exhibit a minimum of 20 different leaves (including 10 new specimens) from native Kansas trees. Exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.
- B. Exhibit a minimum of 10 native Kansas trees showing leaf, twig and fruit from each species collected. This exhibit must include 5 new leaf, twig and fruit specimens.
- **Forestry Collection** - (Choose either A or B) this class is open to those exhibiting either for the third or fourth time at the fair.
 - A. Exhibit a minimum of 30 different leaves (including 10 new specimens) from native Kansas trees. Exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.
 - B. Exhibit a minimum of 15 native Kansas trees showing leaf, twig, and fruit from each species collected. This exhibit must include 5 new leaf, twig and fruit specimens.
- **Forestry Collection** - (Choose either A or B).
 - A. Exhibit a minimum of 40 different leaves (including 20 new specimens) from native Kansas trees. Exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.
 - B. Exhibit - a minimum of 20 native Kansas trees showing leaf, twig, and fruit from each species collected. This exhibit must include 10 new leaf, twig and fruit specimens.
- **How A Tree Grows Notebook** - entry may include a project notebook with 10 or more seeds collected with pictures showing a germination study or a mounting of a thin section of wood cut from the end of a log or top of stump labeled with information such as kind of wood and age of tree when cut or exhibits an illustration of how a tree grows.
- **Tree Appreciation Notebook** - entry may include a research or reporting project notebook with no more than 10 pages based on. Exhibit must be a different species of tree each year. This notebook may include sketches, drawings, pictures, a story, or any other things which will help tell about the tree you have selected.
- **Growing and Protecting Trees Display/Notebook** - entry requires a display, or project notebook telling about project and pictures before, during, & after planting seedlings, a container tree, or a balled and bur lapped tree. Maximum tri-fold size is 3' x 4'.
- **Tree Culture Display/Notebook** - entry requires a display, or project notebook showing your project work and includes pictures of before, during and after wood lot improvement. Maximum tri-fold size is 3' x 4'.
- **How Forests Serve Us.** - entry may include collected wood samples (all or partial) and 2-page essay. Wood sample display to be mounted on poster board or any stiff material no larger than a 3' x 4' trifold. Essay should be displayed in a covered binder.
- **Educational/Creative Exhibit** - entry must be directly related to tree identification or forestry. Type of exhibit is open (notebook, poster, collection box, etc.) given a maximum tri-fold size of 3' x 4'. Care should be taken to use durable materials that will withstand fair conditions. This is a good class to exhibit an unusual collection.

GEOLOGY

Superintendent: Deidra Maycumber

1. The exhibit box should be 18" x 24" x 3½". Plexiglas covers are required. Boxes with glass covers will not be accepted. All specimens are to be arranged across the narrow (18") dimension of the exhibit box, making the exhibit 18" across the top and 24" deep exactly. If a box has a sliding Plexiglas cover, it must be removable from the top. Screws, locks, or other devices that would prevent judges from removing the cover should not be used. For Lapidary classes, the dimensions of the box should be appropriate for the display but should not exceed 18" x 24" x 31/2".
2. Each exhibitor is required to identify each display box by placing an identification label bearing name, district/county, and number of specimens in the upper left-hand corner of the Plexiglas cover (inside-use clear double-sided tape to adhere gummed labels), and by attaching a label with the same information on the lower right corner of the box (outside).
3. Geology specimens should be labeled with the number of the specimen, date collected, specimen name or description, and locality (county only) where collected.
4. For the geology display classes, specimens should be mounted in the box by proper groups: rocks, minerals, fossils. Fossils must be identified to the phylum, class and genus level. Genus name is to begin with a capital

letter. Species name is all lower case. Genus and species names must either be italicized or underlined, not both. The words “phylum, class, genus” on labels are to be spelled out, not abbreviated. More than one specimen of the same kind of rock or mineral or species of a fossil may be exhibited if this duplication represents different geological formations. Specimen label must show this distinction (Fort Hays limestone, not just limestone; calcite from the Greenhorn Formation, not just calcite; Phylum: Brachiopoda Class: Articulata Genus: Composita from the Morrill Limestone Member, not just Phylum: Brachiopoda Class: Articulata Genus: Composita).

5. For geology display classes all specimens must be collected by the participant (not purchased) from locations in Kansas, with the exception of Tri-State Mining Area specimens collected from these three adjacent counties: Ottawa County, OK; Newton and Jasper Counties, MO. Other out of state specimens will not count in the minimum number for the class, nor will they be considered in the judging.

CLASSES

- **Geology Display** - at least 5 rocks, minerals & fossils collected during the current 4-H year. Not eligible for the State Fair.
- **Geology Display** - at least 15 rocks, minerals & fossils collected during the current 4H year. Exhibitor is limited to one exhibit box. Only those exhibiting at the Fair for the first time may enter this class.
- **Geology Display** - at least 30 different rocks, minerals, or fossils, at least 5 of each. Fifteen must be collected during the current 4H year. Exhibitor is limited to one exhibit box. This class is open to those exhibiting either first or second time at the Fair.
- **Geology Display** - at least 45 rocks, minerals, or fossils, at least 5 of each. Fifteen must be collected during the current 4H year. Exhibit limited to two boxes. This class is open to those exhibiting either the third or fourth time at the Fair. Identify the rocks as igneous, metamorphic or sedimentary. These rock types must be spelled out on labels or have a legible key.
- **Geology Display** - at least 60 rocks, minerals, or fossils, at least 5 of each. Fifteen must be collected during the current 4H year. Exhibit limited to two boxes. This class is open to those exhibiting the fifth time or more at the Fair. Identify the rocks as igneous, metamorphic or sedimentary. These rock types must be spelled out on labels or have a legible key.
- **Geology Educational Exhibit** - exhibit relating to everyday living; or to a mineral test, a rock formation, geological history, species of a fossil, forms of one mineral, a variation of one kind of rock, archaeological artifacts, or Indian artifacts. Digital formats are accepted. Exhibit limited to 4 feet of table space. Care should be taken to use durable materials that will withstand State Fair conditions.
- **Mineralogy Display** - a minimum of 15 mineral specimens collected in Kansas, at least 5 of which have been collected during the current 4-H year. The minerals are to be grouped by mineral class (i.e.: Carbonates, Oxides, Silicates) and at least 3 classes must be represented. The member must use one standard display box (see #1). The specimens must be labeled with the number of the specimen, date collected, name of specimen, county where collected and chemical composition (i.e.: CaCO₃ for calcite) if known.
- **Fossils Display** - a minimum of 15 fossil specimens collected by the participant in Kansas, at least 5 of which have been collected during the current 4-H year. The fossils are to be grouped by Phylum and Class, and at least 3 phyla must be represented (Brachiopoda, Chordata, Mollusca, etc.) The member must use one standard display box (see #1). The specimens must be labeled with the number of the specimen; date collected; county where collected; formation, member, or source; phylum, class, and genus or part; and geologic age (Cretaceous, Permian, Pennsylvanian, etc.) See #5 for additional fossil labeling expectations.
- **Rocks Display** - a minimum of 15 rock specimens collected in Kansas, at least 5 of which have been collected during the current 4-H year. Rocks are to be grouped by the 3 rock classes (Sedimentary, Igneous, and Metamorphic). You must display at least one specimen from each of the three classes. The specimens must fit in one standard display box. Specimen labels must include a specimen number, the date collected, name of specimen, and the county where collected. All rocks must be identified by the formation and member name (Examples: Fort Hays Limestone, Member of the Niobrara Chalk Formation) or source (Examples: Rocky Mountain Outwash, glacial till).

LAPIDARY

The lapidary will be judged on the following criteria:

- a. Workmanship and Content=60 points.

b. Presentation and Showmanship=30 points.

c. Accuracy of Information=10 points.

All lapidary specimens should be labeled with the following information:

1. Specimen name.
2. Place of origin (country, state, or county; county required for Kansas specimens).
3. Purchased or self-collected.
4. Date lapidary treatment began
5. Date lapidary treatment completed (Treatment completed after the State Fair is considered a new year specimen).

CLASSES

- **Lapidary Display** - at least 5 varieties of polished (tumbled) specimens & 5 varieties of unpolished specimens that have not yet received lapidary treatment. These do not have to be an example of "before and after", nor do they have to be self-collected. Locales must be identified. (For State Fair: Only those exhibiting lapidaries at the State Fair for the first time may exhibit in this class.)
- **Lapidary Display** - before-and-after examples of at least 3 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. There is no requirement that the 4-H'er collect any of these. Locales must be identified. Lapidary work should be done during the current 4-H year.
- **Lapidary Display** - before-and-after examples of at least 6 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. At least two varieties should be collected from the native site by the 4-H'er, at least one of which comes from Kansas. Locales must be identified. Lapidary work on at least three varieties should be done during the current 4-H year.
- **Lapidary Display** - before-and-after examples of at least 9 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. At least three varieties should be collected from the native site by the 4-H'er, at least two of which comes from Kansas. Locales must be identified. Lapidary work on at least three varieties should be done during the current 4-H year.
- **Lapidary Exhibit** - at least 6 specimens that have not previously been exhibited, which have received lapidary treatment. Lapidary treatment may consist of polishing, and end, face, or flat lapping. Specimens must represent at least 3 different varieties and include at least three cabochons of any size or shape, only one of which may be free formed. A cabochon is a style of cutting in which the top of the stone forms a domed or curved convex surface. Three of the specimens must be mounted into jewelry findings.

HORSE

Superintendents: Rachel Martin and Holli Mason

HEALTH REQUIREMENT: A negative Coggins test will be required within one year of county fair.

1. Please read General Rules and Livestock Rules.
2. Horse ID Certificates and Horse Participation forms must be signed and filed in the Southwind Extension Fort Scott Office by June 1.
3. Authorized personnel will check the following prior to participating in the 4-H Horse Show: identification papers, and proof of negative coggins (actual test results are needed.)
4. Participants are to wear the official 4-H clothing. (Read the 4-H Rule Book.) EXCEPTION - Short sleeved shirts (no T-shirts) will be allowed for races.
5. Each animal must be exhibited or ridden by the 4-H owner. In halter classes, one attendant of 4-H age may help if necessary.
6. One horse may be shown by more than one member of a family, but the horse can only be shown once in each class.
7. First year classes are an option for 4-H members showing for the first time in the Bourbon County fair horse show that do not want to show in their specific age division.
8. If an exhibitor chooses to show in a walk trot class, they may not show in a class which requires a lope or canter.
9. Stallions cannot be shown except in the weanling class.
10. Ponies are required to show in pony classes when a pony class is available.
11. Stock type includes but is not limited to Appaloosa, Buckskin, Paint, Palomino, and Quarter.
12. Non-Stock type includes but is not limited to Arabian, Morgan, Thoroughbred, American Saddlebred.

13. Ranch Pleasure is shown on the rail.
14. High Point Champion and Reserve Champion awards will be given in the 10-13 and 14 & older group.
15. 4-Her's may still show multiple horses, but High Point awards will only be calculated on one horse. To calculate points: Purple = 4, Blue = 3, Red = 2, White = 1.
16. First Year Walk Trot, Pleasure Pairs and Fun Classes will not count toward High Point awards.
17. Ties will be broken by showmanship placing.
18. Horses will not be brought back to the fair after the 4-H Horse Show on Sunday.

- **Senior Showmanship**
- **Intermediate Showmanship**
- **Junior Showmanship**

HORTICULTURE AND LANDSCAPE DESIGN

Superintendent: Ashley Endicott

1. All horticultural exhibits must be grown by the 4-H exhibitor.
2. Information about exhibiting produce is available online in the publication "Exhibiting Fruits and Vegetables" available at <http://www.bookstore.ksre.ksu.edu/pubs/c405.pdf>
3. Secure entry form to disposable plate or container with string or tape. Use a sturdy disposable paper plate, bowl or container that will support the weight of the produce.
4. Information about exhibiting flowers can be found online in the publication "Preparing Cut Flowers for Exhibit", available at <http://www.bookstore.ksre.ksu.edu/pub/4H826.pdf>.
5. Members are encouraged to exhibit cut flowers and fresh floral arrangements in disposable containers.
6. All floral materials must be grown and/or collected by the exhibitors. Do not use purchased plant materials. Entries should not take over one square foot of table space.
7. Potted plants are not accepted.
8. All entries must be freestanding, easily moved, and not require any special equipment to display.
9. Hanging entries are not accepted.

CLASSES

- **Small vegetable specimen plate** - (12) Ex: Green Snap Beans, Yellow Wax Beans, Cherry Tomatoes, other small vegetables.
- **Medium vegetable specimen plate** - (5) Ex: Cucumbers, Tomatoes, Beets, White Onions, Yellow Onions, Red Onions, Bell Peppers, Other Peppers, Okra, Parsnips, Radishes, Turnips, Sweet Potatoes, Red Potatoes, White or Russet Potatoes, Carrots, Miniature Pumpkin, Decorative Gourds, or other medium vegetables.
- **Large vegetable specimen plate** - (1) Ex: Watermelon, Summer Squash, Winter Squash, Large type Pumpkin, Eggplant, Cabbage, Cantaloupe, other large vegetable.
- **Fresh Culinary Herbs** - (6) Ex: Parsley, Basil, Dill, etc. six stems or a comparable quantity of one variety of fresh herbs must be exhibited in a disposable container of water. Dried herbs are not accepted.
- **Small Fruits** - (one half pint box) Ex: Strawberries, Blackberries, Raspberries, or other similar sized fruits. (if other, please include name of fruit on entry).
- **Tree Fruits** - (plate of 5) Ex: Apples, Pears, Peaches, or similar sized fruits.
- **Grapes** - (plate of 2 bunches)
- **Garden Display** - Each exhibitor in this class will be limited to four square feet of space. The garden display must be exhibited in a tray, basket or container that can be easily moved by the fair staff. Exhibit consists of five

different types of fresh vegetables or fruits. Canned products and shelled vegetables are not acceptable. Only one variety of each type of vegetable or fruit may be exhibited. The numbers of the five types of vegetables or fruits to be exhibited are as follows:

- a. **Large Vegetables** - (One each) Cabbage, Cantaloupe, Eggplant, Large Pumpkin, Squash, Watermelon.
 - b. **Medium Vegetables** - (Five each) Beets, Carrots, Cucumbers, Decorative Gourds, Potatoes, Miniature Pumpkins, Okra, Onions, Peppers, Radishes, Sweet Potatoes, Tomatoes, or other similar sized vegetable.
 - c. **Small Vegetables** - (Twelve each) Green Snap Beans, Yellow Wax Beans, English Peas, or other similar sized vegetables.
 - d. **Small Fruits** - (One half pint box) Strawberries, Blackberries, Raspberries, or other similar sized fruits.
 - e. **Tree Fruits** - (5 each) Apples, Pears, Peaches, or similar sized fruits.
 - f. **Grapes** - (2 bunches)
- **Annual Garden Flower** - cut specimen, single stem.
 - **Perennial Garden Flower** - cut specimen, single stem.
 - **Fresh Flower Arrangement** - Flower materials must be grown and/or collected by exhibitor, not purchased.
 - **Dried Flower Arrangement** - no fabric or plastic material allowed
 - **Horticulture Notebook** - Entry shall consist of a notebook or three ring binder of written narrative describing a horticulture project such as a landscape design, landscape installation, lawn renovation, water garden, flower garden, vegetable garden, lawn mowing service, landscape maintenance business, farmer's market business, or other horticultural project. 4-Hers are encouraged to include photographs, illustrations and/or landscape drawings that help explain work done by the member. Photos taken from the same location before, during and after the completion of the project are particularly helpful. Exhibitor may enter one horticulture notebook. Horticulture notebook scoring is based on the following criteria: Organization and General Appearance (neat, includes title page and table of contents, original, creative, etc.) 20%. Narrative (including goals, successes, failures, etc.) 40% General Content (subject matter, photos, maps, knowledge gained, etc.) 40%.

INTERIOR DESIGN AND ARCHITECTURE

Superintendent: Jennifer Carnes

1. Exhibits should be of high quality (as compared to quick, simple crafts), suitable for use in the home several months throughout the year. Holiday-specific items are discouraged.
2. A summary including plans, explanation of how the items was made or refinished, and how it fits into the color and design of the room. Summary could also include project inspiration, challenges, who helped you, and any other information that could be helpful to the judge. Summary should be in a plastic protective sleeve and attached to exhibit.
3. Projects with missing or insufficient summary will be lowered one ribbon placing.

CLASSES

- **Single Exhibit** - An article (furniture, fixtures, interior or exterior, etc.) made or refinished by the 4-H member for the home. Must include attached summary.
- **Design Board** - Boards must be on foam core or a standard tri-fold display. Include: color scheme, wall treatment, floor treatment, samples, etc. and/or floor plan for a room. Must include attached summary.
- **Notebook** - Notebooks may include floor plans, swatches, colors, stories, photographs, And project records which detail what was accomplished this year with a given indication of long-term plans. Notebooks should also include project inspiration, challenges, who helped you, and any other information that could be helpful to the judge. Additional summary is not required.

MEAT GOATS

Superintendent: Mark Leatherman

1. Please read General Rules and Livestock Rules.
2. Market Meat goats are goats bred for meat purposes. Does or wethers of any breed will be judged on merits for meat purposes.
3. Market Meat goats shown in meat classes cannot be shown in dairy classes and dairy goats shown in the dairy classes cannot be shown in the meat classes.

4. No more than two breeding meat goats and two market meat goats can be entered by one 4-Her.
5. Market Meat Goats will show by weight not by breed.

CLASSES

- **Market Meat Goat**
- **Breeding Doe** - under 6 months
- **Breeding Doe** - 6 months to 12 months

MEAT GOAT SHOWMANSHIP

- **Senior Showmanship**
- **Intermediate Showmanship**
- **Junior Showmanship**

MISCELLANEOUS

Superintendent: Deidra Maycumber

1. 4-H exhibitors must be enrolled in the project related to the exhibit.
2. Exhibit must include name and club.
3. Exhibits will be judged on completeness, quality of work and neatness.
4. Exhibits within Miscellaneous are not Kansas State Fair eligible.

CLASSES

- **Civic Engagement**
- **Communications**
- **Environmental Science**
- **Family Studies**
- **Health and Wellness**
- **Leadership**
- **Performing Arts**
- **Pets**
- **Reading Adventures**
- **Self-Determined**
- **Soil/Water Conservation Educational Exhibit**– Contents must pertain to some phase, result, story, or information about soil conservation or water conservation

PHOTOGRAPHY

Superintendent: Taylor Bailey

1. Photo images must be taken by the 4-H member and be the result of the current 4-H project year.
2. Appropriate photo subject matter: Photographic subject matter is expected to follow 4-H standards.
 - a. For a sense of prohibited subject matter, review the Kansas 4-H member Code of Conduct; in general, if it is not allowable at a 4-H event, it is not allowable in a 4-H photograph at the Fair.
3. Photos with live subject(s) on railroad right away or taken from railroad right of way property will not
 - a. be displayed in Kansas 4-H Photography and will be disqualified and not judged.
4. Copyright protections must be observed.
5. Photographs taken with a digital camera and having no more adjustments than exposure, color
 - a. intensity or correction, one click filters effects, red eye removal, cropping, dodging and burning should be entered in the standard color or black and white classes. HDR photos are to be entered in the standard photo class.
6. The black & white classes are for black & white prints only. Monochromatic prints, including sepia
 - a. prints are considered color photos and must be entered in the appropriate color photo class.
7. No lettering, including dates, is permitted on the front of the mount or on the photo. No underlay or
 - a. borders are to be used.

8. Remove white border from the photo print before mounting. After trimming, photos must be no larger than 8" x 10" and no smaller than 7"x 9".
9. Photos are to be mounted on white or cream 11" x 12.5" studio matte board. To protect exhibits from dust and moisture, place mounted photo in protective plastic sleeve. Matte boards and protective sleeves may be purchased from the Extension Office.
10. Photos must be mounted with the top edge of the print 1" below the top of the mount (board is always oriented narrow side up). The sides of the print must be equal distance from the two sides of the mount.
11. A full coverage permanent mount (spray adhesive recommended or heat mount) must be used.
12. On the back of the mount, write: the exhibitor's name, photo class, and the Extension Unit (district/county).
13. Improperly mounted photos, oversize or undersize photos or photos with the white borders not removed or lettering (including dates) on the photo, will be awarded a ribbon one placing lower than the placing determined by the official judge. Decisions as to display and/or penalties will be made by the Photography Division Superintendent and the Extension Agent responsible for the photography department.
14. 4-H Members may enter up to 4 photographs.

Growth Portfolio

- a. 4-H member must have been enrolled in the Photography project for five (5) years or more.
- b. Exhibit will consist of one photo for each year of enrollment. Each photo must have been created in a different year & must be labeled with the year taken/project enrollment year. A maximum of 5 photos may be included, if the member has 5 or more years of enrollment. Photos are not required to be in a consecutive order. For example, a nine-year-old with three years enrollment in photography is eligible to enter a growth portfolio. The portfolio in this example should have one photo from the seven-year-olds year, one photo from the eight-year-olds year, and one photo from the nine-year-olds year. The growth portfolio class may start at any time in the member's photography career. For an older member, the growth portfolio would represent any five years in the project, for example, years 1,3,5,7 and 9 for a member having project enrollment totaling 9 years.
- c. Photos must be 8" x 10" and may be color or black and white and must be unmounted.
- d. An information sheet must accompany each photo giving brand and model of camera used to create the photo. The settings for focal length, aperture, mode and shutter speed must also be listed.
- e. Skill set used to create the photo must be given and explained. Main goal for each year should be listed.
- f. Beginning with photo 2, member description of GROWTH in project skill must be included on information sheet.
- g. Exhibit will consist of photos arranged in chronological order of enrollment, information sheet on each photo, and all information listed in d. and e. A portfolio book will be required to exhibit.

Career Portfolio

- a. Member must have been enrolled in photography for 5 or more years or member must be age 15 -19 and been enrolled in photography for at least 2 years.
- b. Exhibit will consist of (10) 8 x 10 photos showing skill development in one of the following photography areas: Portraiture, Special Effects (not done with computer), Landscape, Photojournalism, Black and White, Nature/Wildlife or Graphic Design (computer skills with photos). Photos may have been created over multiple project years.
- c. Photos may be color except if black & white option is chosen and must be unmounted.
- d. An information sheet must accompany each photo giving brand and model of camera used to create the photo. The settings for focal length, aperture, mode and shutter speed must also be listed.
- e. A one-page summary should accompany the portfolio listing the goal for pursuing this area of photography and what skills were learned while doing so. Mentors should be acknowledged. Career exploration can also be

described.

- f. Exhibit will be presented in a notebook designed for portfolio review with pages for required information from d. & e.

My Favorite 4-H Photography Display

- a. This new class is only for those photography project members with 10 or more years of experience.
- b. This class is a non-judged mounted display consisting of four favorite photos from the member's photography career in 4-H.
- c. All photos and fifth biography/description with details of why they are regarded as most significant will be mounted on white or cream studio matte board.
- d. Photos and biography/description will be displayed on one row of the photography racks. This class is an extra way to showcase the development and accomplishments of the 4-H member's photography career.
- e. Members can still enter two other classes, if they are enrolled 8 or more years in the photography project

CLASSES

4-H'er with 3 years or less in the project

- **Color, Black & White**
- **Growth Portfolio** - must have 3 years-experience – limit to one

4-H'er with 4-7 years in the project

- **Color, Black & White**
- **Growth Portfolio** - limit to one
- **Career Portfolio** - must have 5 or more years-experience – limit to one

4-H'er with 8 or more years in the project.

- **Color, Black & White**
- **Growth Portfolio** - limit to one
- **Career Portfolio** - limit to one

4-H'er with 10 or more years of experience in the project

- **My Favorite 4-H Photography Display**

POULTRY

Superintendent: Sue Reinecke

HEALTH REQUIREMENT: Birds exhibited at the county fair in the Southwind Extension District that originate from Kansas do not need to be tested before the fair until 2027. Birds will then be tested every 5 years. Now, if your bird comes from out of state you will be required to test within 90 days of the fair.

1. Please read General Rules and Livestock Rules.
2. Same bird cannot be shown in more than one class.
3. Poultry feed will be provided. All exhibitors must care for their own exhibits feeding and watering their own poultry.
4. Each exhibitor is responsible for dumping cage trays before leaving the fairgrounds when checking out animals.

Poultry Broiler Pen Rules: Youth Livestock Sale

1. A Broiler Pen will consist of 3 birds of the same breed male or female.
2. Birds will all come from the same hatch with superintendent placing the order for the bird's minimum of 10 birds per exhibitor to be picked up approximately 6-7 weeks prior to fair. Exhibitor must notify the Extension office prior to this date if participating in this project so enough birds can be ordered. These will be Cornish Cross.
3. Exhibitors are limited to one entry.
4. Weight of pen should range from 12 lbs. to 19 lbs.
5. Broiler Pen will be eligible to sell in the Youth Livestock Sale and will count as 1 of the maximums of 2 species an exhibitor is eligible to sell.

CLASSES

- **Large Fowl Standard Breed Cockerel** - less than one year old
- **Large Fowl Standard Breed Cock** - one year or older
- **Large Fowl Standard Breed Pullet** - less than one year old
- **Large Fowl Standard Breed Hen** - one year or older
- **Broiler Pen** - three birds' same sex (hybrids allowed)
- **Production Breed Pen Laying** - three pullets or hens (hybrids allowed)
- **Bantam Cockerel** - less than one year old
- **Bantam Cock** - one year old or older
- **Bantam Pullet** - less than one year old
- **Bantam Hen** - one year old or older
- **Turkey** - one bird any breed either sex
- **Duck** - one bird any breed either sex
- **Goose** - one bird any breed either sex
- **Pigeon** - one bird any breed either sex

POULTRY SHOWMANSHIP

- **Senior Showmanship**
- **Intermediate Showmanship**
- **Junior Showmanship**

RABBITS

Superintendent: Lori Guilfoyle

HEALTH REQUIREMENT: Rabbits must be healthy & free of disease or they may be rejected at time of entry.

1. Please read General Rules and Livestock Rules.
2. There will be conference judging. 4-H members must present rabbit to judge. If you are unable to attend, select another Bourbon County 4-H'er to present rabbit to judge.

VETERINARY SCIENCE

Superintendent: Deidra Maycumber

1. See 4-H General Rules.
2. 4-H exhibitors must be enrolled in the project related to the exhibit.
3. A Veterinary Science exhibits may consist of a poster, notebook or display. The exhibit may represent material from any of the Veterinary Science projects including entry level exhibits from Unit I.
4. If photographs are to be part of the exhibit, remember that they will be viewed by the public. Make sure that the photographs are in good taste and will not be offensive to anyone. Graphic photographs of excessive bleeding, trauma or painful procedures are not appropriate. For exhibits related to veterinary surgical procedures, aseptic techniques need to be shown, for example, use of drapes, use of sterile procedures, wearing of gloves and other appropriate veterinary medical practices.
5. First-Aid Kits: Because of public safety concerns and risk of theft of first-aid kit contents (veterinary drugs/equipment) with perceived potential for drug abuse, animal first aid kits containing any drugs or

medications will be immediately disqualified and not displayed. First Aid kits wishing to include medication information should instead utilize written descriptions, photographs, drawings, computer generated print-outs or empty packaging of pharmaceuticals.

6. Veterinary Science Posters - This exhibit presents the viewer with a design that is simple and direct, unlike a display that usually presents more information. A poster should not exceed 22" x 30" and may be either vertical or horizontal.
7. Veterinary Science Displays - A display may include but is not limited to: a 3- dimensional exhibit, a scale model, the actual product (for example: skeleton; teeth; samples of leather, fur, or dried skin damaged by disease or parasites) or a notebook. A display is not a poster. A display may be mounted on poster board not to exceed 22" x 28" or on 1/4" plywood or equivalent that does not exceed 24" high or 32" wide or in a three-ring binder or another bound notebook format.
8. Veterinary Science Notebooks: Individual entries are to be placed for display in a three-ring notebook for competition. Notebooks may not be larger than 8 1/2' x 11".
9. Neither the Bourbon County Fair Association, 4-H Youth Development, or Southwind Extension are liable for the loss or damage of any personal property included as part of your poster, display or notebook.
10. Name, district/county, age and year in project should be on the front of the poster, display or notebook.
11. Appropriate topics include: Maintaining Health Specific disease information Photographic display of normal and abnormal characteristics Animal health or safety Public health or safety Proper animal management to ensure food safety and quality Efficient and safe livestock working facilities A topic of the exhibitor's choosing related to veterinary medicine or veterinary science.
12. Because these are science displays, all references and information must be properly cited. Proper sources include but are not limited to: Professional journals and publications, professional AVMA accredited websites, interviews with veterinarians and excerpts from Veterinary Educational Literature. Plagiarism will result in a disqualification. Please study your topic and present the information to your audience in your own words.

CLASSES

- **4-H Veterinary Science** - Large Animal Poster, Notebook or Display
- **4-H Veterinary Science** - Small Animal Poster, Notebook or Display

VISUAL ARTS

Superintendent: Jennifer Carnes

1. Articles exhibited must be an original design created by the exhibitor. See copyright guidelines in the 4-H general rules section.
2. All exhibits that which need to be hung must have a wire or saw tooth hanger attached (no string or tape) in order to be properly displayed. If not ready to hang, placing will be lowered by one ribbon and may not be displayed.
3. Multi-piece items should be marked accordingly.
4. No plants or plant materials needing watering can be entered as an art display or item.
5. All exhibits are entered at your own risk.
6. Exhibits eligible for the Kansas State Fair will be identified by the judges. Large art items will not be accepted. Exhibits must be of manageable size and be easily transported and displayed by one person.

CLASSES

- **Fine Arts** - oil, chalk, charcoal, dyes, pastels, pencil, ink, acrylic, or watercolor on canvas, canvas board, paper, wood, metal, or textiles, framed as a picture, prepared for hanging. Stretched canvas art on a wooden frame is considered prepared for hanging provided that frame has a hanger.
- **Clay and Ceramics** - any original item made of clay; may be fired or unfired, hand formed, or thrown on a wheel. Self-hardening, fire/oven-cured, and/or cornstarch clays are acceptable. Items can include, but are not limited to, clay statues, bowls, etc.
- **Leather and Jewelry** - any leather stamping, carving, tooling, lacing, or stitching piece or any jewelry piece made from any medium are acceptable exhibits.
- **Three-Dimensional** - piece must be observable on at least three sides and should be either free-standing or prepared to be hung. Craft and pre-formed or assembled projects are not acceptable.

- **General Crafts** - this category incorporates miscellaneous pieces that do not correspond to the four, above-mentioned categories.

WILDLIFE

Superintendent: Deidra Maycumber

1. **Exhibitors must comply with state and federal laws.** It is illegal to possess threatened or endangered wildlife, or the feathers, nests, or eggs of non-game birds. Game birds & game animals taken legally during an open season may be used. The use of live wild animals in educational exhibits is prohibited.
2. Name, district/county, age and year in project should be in a prominent location on the exhibit.
3. Bourbon County Fair Board Association, 4-H Youth Development and Southwind Extension District are not responsible for damage during the exhibition period.

CLASSES

- **Educational Display** - Must be directly related to the wildlife project. Maximum tri-fold size is 3' x 4'.
- **Promotional Poster** - Must be related to something learned in the wildlife project. (Flat poster board or foam board no larger than 22" x 28")
- **Notebook** - Contents pertain to some phase, results, story or information about the wildlife project.
- **Fish Harvesting Equipment** - Board exhibit. Display of equipment used in fish harvesting. Examples: fishing knots, hooks (with corks over ends for safety), lures. Label all items displayed. Include in your exhibit the following information: the purpose of each item, when or where each item is used.
- **Build a Fishing Rod** - A fishing rod educational exhibit may not exceed 96 inches in length. Exhibit must be mounted on a board. Include with the exhibit: Explanation of cost of materials/components and how many hours were required for construction. Label all parts. Necessary components which must be included are grip, line guides (based on manufacturers specifications), guide wraps, and hook keeper. Reel seat needs to be aligned with guides, and guides aligned accurately down rod. Guide wraps of size A to D, nylon or silk thread. Exhibit will be judged on: workmanship, labeling of parts, information, and neatness.
- **Casting Target** - Make a casting target for exhibit and use. Target must be under 48" x 48". The bullseyes must be 2 feet, outer band must be 1 foot in diameter and can have up to 3 rings. The exhibit must be easy to store, durable, and weather resistant. Include the purpose and rules of using your casting target.
- **Wildlife Harvesting Equipment** - Board Exhibit. Display of equipment used in harvesting wildlife. Examples: expended ammunition casings (no live ammunition permitted), steel traps, hide stretchers, fleshers, etc. For displays of shotguns, rifles, or bows, use drawings or pictures. Label all items displayed: the purpose of each item, when or where it is used and personal experiences with the item.
- **Inventing Wildlife/Fish Harvesting Equipment, Aid or Accessory** - Use engineering principles to invent or adapt equipment that helps you harvest fish or wildlife. This could include wildlife calls, adapted fishing pole for shallow water, a blind, decoys, etc. Share your drawing (or adapted plans), how the equipment works, how you tested it, and the results of testing your prototype, and any adjustments you made.
- **Tanned Hides** - Exhibit of a wild animal hide properly processed by the member. If not mounted, must be in a clear clothing bag with hanger. Include field experiences, study, OR observations that relate to the exhibit.
- **Taxidermy** - Any legal fish, bird, or other wild animal properly processed by the member. No requirement as to mounting. Include the animal's name and the following: information about the exhibitor's personal field experiences, study, OR observations that relate to the exhibit.
- **Wildlife Tracks** - Board or diorama-type box exhibit. Make a display of animal tracks using plaster-of-paris casts. There are 3 options. For all options, include a brief description of your experiences in making the tracks so the judges better understand what you did and learned. Positive casts (impressions as they would be in nature) are preferred. - Option 1 should show plaster-of-paris tracks of five or more kinds of wildlife along with a picture or illustration of each kind of animal. (OR) - Option 2 should show two or more plaster-of-paris tracks of one specific kind of wildlife and should include a picture or illustration of the animal, what the animal may eat, and what may eat the animal. (OR) - Option 3 should show two tracks and include the animal's habitat needs including preferred food, shelter, water, and space in addition to picture or illustration of the animal.
- **Wildlife Knowledge Check** - Use electrical circuits, pictures, or other methods of teaching wildlife identification or other wildlife conservation or shooting sports related knowledge. Plan size and shape to fit transportation and display; maximum size 24 x 24 inches.

- **Houses** - Make a house for wildlife. Examples: bird house (bluebird, purple martin, wood duck, kestrel, barn owl, etc.) or bat house; no insect houses. Make the house functional so that dimensions, hole size etc. are appropriate to fit the intended species' needs. Include the following information: 1) the kinds of animal(s) for which the house is intended, 2) where and how the house should be located for best use, 3) any seasonal maintenance needed, and 4) any evidence of your personal observations from experiences.
- **Feeders/Waterers** - Make a bird bath or feeder. Examples: seed, suet, or nectar feeders. Squirrel feeder okay; no insect feeders. Include the following information: 1) the kinds of animal(s) for which the water/feeder is intended, 2) where are how the water/feeder should be located for best use, 3) any seasonal maintenance needed, and 4) any evidence of your personal observations or experiences.

WOODWORKING

Superintendent: Beth Snyder

1. The plan from which it was constructed must be with the article exhibited. The plan may be a photocopy, the actual pattern, or a scale drawing. It must be complete and accurate to the extent that a duplicate article could be built using the plan as a guide. Please note: a set of step by step instructions is not a plan.
2. Projects with missing or insufficient plans will be lowered one ribbon placing.
3. The use of materials other than wood should be kept to a minimum.
4. Projects that have unsecured glass, i.e., glass shelves, glass top of a coffee table, etc., should not be brought to the fair. Glass that is secured in the project, i.e., glass front of a gun case or cabinet, etc., is permissible since it cannot be easily removed.
5. The entry card plans, and all other paperwork should be secured to the project in some manner. Tape is usually not adequate to accomplish this. It is recommended to use a zip top plastic bag with a hole punched through it and using string to tie this to the exhibit.
6. Refinished/repared furniture should be exhibited in Interior Design & Architecture.
7. Projects made from pre-cut kits are not allowed.
8. In judging woodwork articles, consideration will be given to: Workmanship, including accuracy to the plan; design; choice of wood; suitability, quality of finish; usefulness.
9. Firearms and weapons are not to be entered or exhibited at the Kansas State Fair or in the Kansas 4-H Youth Development Department.

CLASSES

- **Article for farm or shop use**
- **Furniture for household or lawn use**
- **Other woodwork** - Articles not included in above classes. Examples: bird houses, bird feeders, household equipment such as knife racks, bread boards, door stops, etc.
